MEMORANDUM FOR : Cover Officer

SUBJECT : Proposal to Establish World Record  
Ref: SAPC-7860, 18 July 1956

25X9A5

1. You are authorized to work with [REDACTED] to have NACA furnish proper instrumentation and personnel, if they are able, to establish an unofficial world altitude record for historical purposes. I understand that due to security reasons we will be unable to establish an official record.

2. There is no urgency in conducting this flight and it should be on a non-interference basis and be accomplished some time during Detachment C's training period.
